Foreword

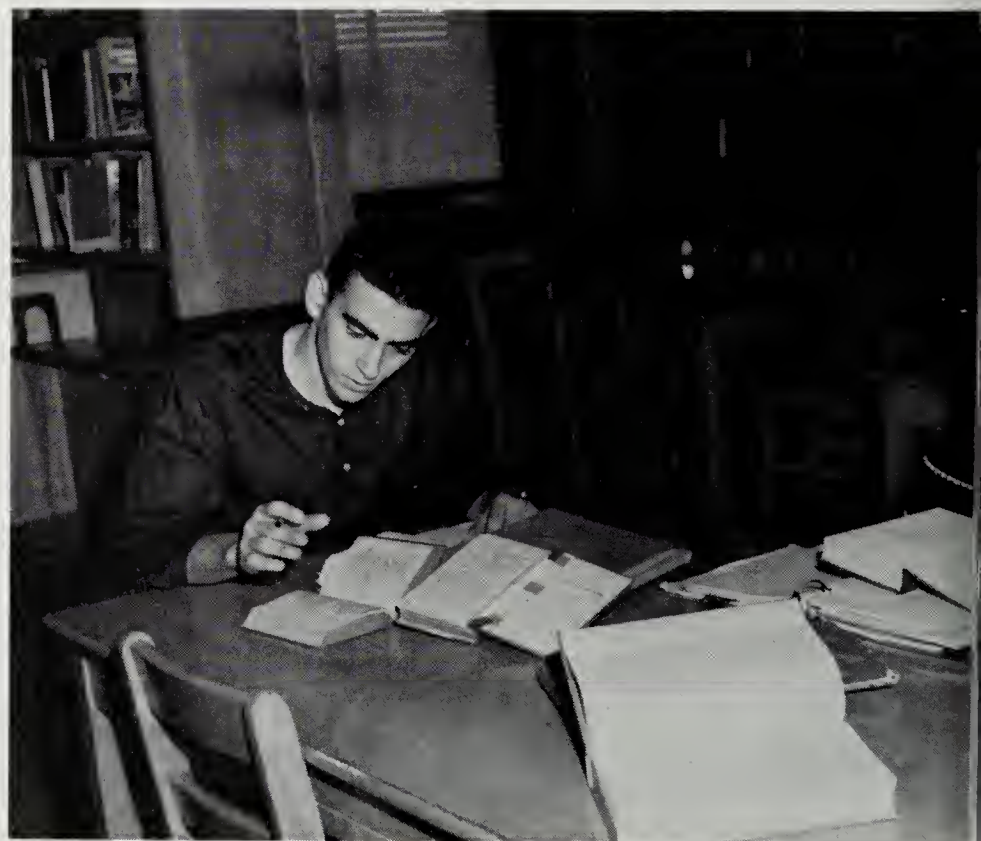

"To everything there is a season, and a time to every purpose under the heaven: A time to be born and a time to die; a time to plant, and a time to pluck up that which is planted; A time to kill, and a time to heal; a time to break down, and a time to build up; A time to weep, and time to laugh; a time to mourn, and a time to dance; A time to cast away stones, and a time to gather stones together; a time to embrace and a time to refrain from embracing; A time to get, and a time to lose; a time to keep, and a time to cast away; A time to rend, and a time to sew; a time to keep silence, and a time to speak; A time to love, and a time to hate; a time of war and a time of peace."

Administration

MR. GRAHAM HEATH
Chairman of Nelson County School Board

Mr. Heath has worked continuously for the progressive development of the county schools. His high regard for virtue, truth, and unity with his fellow board members has been exemplified by the many policies and constructions recommended and developed by the county school board under his chairmanship.

Mr. Moon - Visiting Teacher, Mrs. McGuffin - General Supervisor, Mr. Carter - Superintendent, Mrs. Harris - Secretary, Mrs. White - Secretary.

MR. J. B. M. CARTER
Superintendent

Nelson County is very fortunate in having Superintendent J. B. M. Carter as head of the public school system. Mr. Carter's administrative ability, his warmth of personality, and his genuine interest in boys and girls have endeared him to one and all. The members of the Annual Staff of 1962 salute you, Mr. Carter, as an outstanding superintendent of schools.

MRS. JUNE DALE HARRIS, Secretary

MRS. DOROTHY WHITE, Secretary

At this time in our lives as students, we become aware of the administration of business - "big" business and "small" business are much in the forefronts of our minds.

The true business details of the organization of the school system are handled capably by these two ladies. Mrs. Harris remains at the school board office to answer the never ceasing phone calls. Mrs. White goes from school to school in the fall to handle the book orders. They make the "big" and "small" business run smoother.

MRS. REEFA MCGUFFIN, General Supervisor

Mrs. Reefa McGuffin, General Supervisor, is dedicated to the task of improving instruction in the schools of Nelson County. She inspires confidence in those with whom she works and she sees each job through to a successful conclusion. Night or day she lends a sympathetic ear to anyone's problems whether personal or professional. For her many services to the schools and to the community, we are most grateful.

MR. RICHARD MOON, Visiting Teacher

This is Mr. Richard Moon, the young man who makes each life brighter by his happy smile. There is no task too hard for him to tackle if it is in the best interest of the youth of Nelson County.

Mr. J. W. Harville

Principal

Mr. Harville established his reputation as a hard worker and a good organizer while he was at Nelson County High School as assistant principal. It was, therefore, a pleasure to welcome him back as principal this year and find these same admirable qualities among us once more.

Mr. Harville does not ask more of his faculty than he requires of himself. The standard that he sets for both is high and it demands the giving of ones very best for the boys and girls of Nelson County.

The School is not the only area in which Mr. Harville's influence is felt. The whole community is enriched by his activities in the church and in civic organizations. His willingness to serve and his able performance have made him a favored speaker at county functions.

Because of his dedication to the total program of the school and the community which it serves, Nelson County High School feels that it is indeed fortunate in having Mr. Harville as its new principal.

MR. DAN GUSMEROTTI, Assistant Principal

Mr. "Gus," as all his friends like to call him, works quietly and efficiently. His calm manner and common sense approach to all problems have earned him the respect and good will of both faculty and student body.

Mr. Gus' duties are many and varied, yet he always seems organized and in command of the situation. One feels that he has an inner reserve of strength that communicates itself to those with whom he comes in contact. Perhaps the twinkle in his eye indicating that he is enjoying life fully is responsible for much of the cheer that he is able to radiate.

Mr. Gus has been at Nelson County High School only a relatively short time, but he already belongs and it is our wish that he will be long among us.

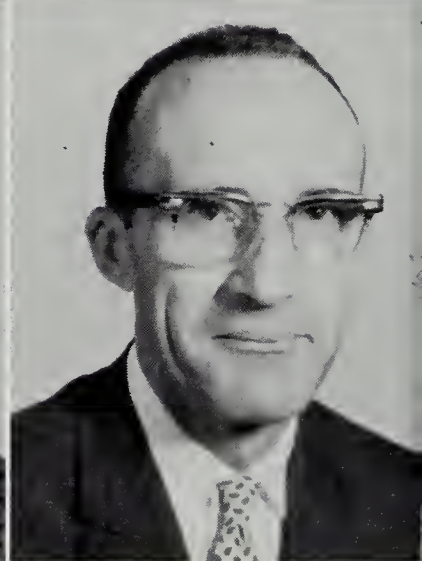

Miss Reba Mays, school secretary, is truly NCHS's Girl Friday. Always cooperative, she willingly responds to the many demands on her time and energy and is interested in everything connected with the school.

The FBLA organization seeks to "develop competent, aggressive business leadership." It is composed of juniors and seniors who are taking business subjects. Sponsored by business teachers, it gives every student a view of the actual business world. Each member has a chance to develop character and qualities of leadership. FBLA also helps its members choose intelligently their jobs in the business world. The Future Business Leaders of America strives to "develop character, train for useful citizenship, and foster patriotism."

The overall objective of the Drama Club is to develop student appreciation of the form through the production of one and three-act comedies and dramas of literary merit. The club's more than thirty members set as their goal for 1961-62 the production of two student-directed one-act plays, a one-act District competition play, and an ambitious three-act drama to end the season.

Some Interesting Observations on
DUNBRIK—PRECAST SEPTIC TANKS
 and

CONCRETE FACTS

PREHISTORIC MAN PROBABLY DISCOVERED "CEMENT." IT'S POSSIBLE THAT HE BUILT HIS FIRE IN A HOLE LINED WITH LIMESTONE OR GYPSUM

ROCK. THE FIRE DE-CARBONATED OR DE-HYDRATED THE SURFACE OF THE ROCK WHICH FELL AMONG STONES, WHEN WETTED, AS BY RAIN, THE POWDER HARDENED, CEMENTING THE STONES TOGETHER.

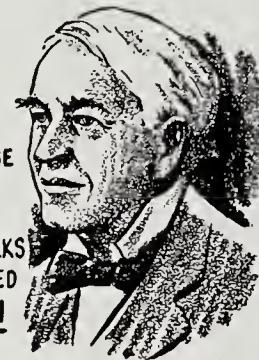

DAVID SAYLOR MADE THE FIRST PORTLAND CEMENT IN THE U.S. AT COPLAY, PENN., IN 1871. BY **1890**, **17 PLANTS** WERE PRODUCING 331,500 BARRELS, WHILE IN 1942, PRODUCTION IN ALL PLANTS TOTALED 185,341,609 BARRELS.

JOHN SMEATON MADE THE FIRST TRUE HYDRAULIC CEMENT WHEN REBUILDING THE **EDDYSTONE LIGHTHOUSE** IN ENGLAND AROUND THE YEAR 1756. THE RESEMBLANCE OF THIS MATERIAL TO PORTLAND STONE IS THE BASIS OF THE PRESENT DAY NAME OF **PORTLAND CEMENT**

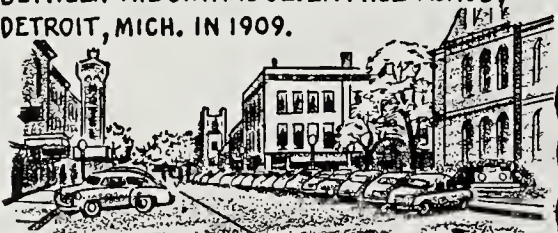

THE FIRST CEMENT KILNS OF THE SIZE RANGE IN USE TODAY WERE USED BY THE EDISON PORTLAND CEMENT WORKS UNDER PATENTS GRANTED TO **THOMAS EDISON**

THE FIRST REINFORCED CONCRETE STRUCTURE WAS A **BOAT**! IT WAS BUILT IN 1850 BY THE FRENCHMAN, LAMBOT, WHO ALSO CONSTRUCTED FLOWER POTS OF THIS MATERIAL.

THE FIRST KNOWN CONCRETE ROAD BUILT IN THE U.S. WAS AROUND **PUBLIC SQUARE OF BELLEFONTAINE, OHIO** IN 1892 AND 1893. IT IS STILL IN USE. THE FIRST COMPLETE MILE OF CONCRETE HIGHWAY WAS ON WOODWARD AVE. BETWEEN THE SIX AND SEVEN MILE ROADS, DETROIT, MICH. IN 1909.

THE
CENTRAL VIRGINIA ELECTRIC COOPERATIVE

Lovington, Virginia

Organized in Nelson County in 1937 by its owners, the farmers who pledged their membership to secure the blessings of modern, dependable electric service, and have extended this service to over 30,000 persons in Nelson, Amherst, Albemarle, Greene, Fluvanna, Goochland, Cumberland, Prince Edward, Appomattox, Campbell, Buckingham, Orange and Louisa counties.

The owners of this modern electric distribution system are its consumers, a portion of whose electric bill retires its debt. Before another twenty years expire, it will have retired its debt while continuing its vital service - still at the old 1937 rates.

We salute the 1961-62 class, many of whom will be listed among our owners. Don't let anyone talk you out of your heritage.

OUR *Ever-Present* CHALLENGE

The prosperity and individual freedoms we enjoy today are hard-earned gifts from our forefathers and must never be taken for granted.

Each new generation must stand on its own feet and preserve these freedoms.

The freedoms we enjoy through the American Way have a high price and must be earned over and over.

W. Somerset Maugham expresses it this way: "If a nation values anything more than freedom, it will lose its freedom; and the irony of it is that if it is comfort or money that it values more, it will lose that, too."
